

Special Notice

COVID-19 UPDATE

February 15, 2021

TO ALL GARDENERS

We are only open to currently registered gardeners

- Garden hours are dawn to dusk, 7 days a week.
- A maximum of 10 people inside at a time.
- **All persons must wear an approved face mask at all times while in garden.**

Do everything you can to keep yourself and your community safe by following these guidelines in place during this health emergency:

- **When in doubt stay home.** Do not come to the garden if you or someone in your home is sick or if you have underlying health conditions.
- **We ask that you clean and disinfect tools after you use them.** Look for notices around the gardener storage area for instructions about available sprays.
- **Practice physical distancing. Stay at least 6 feet away from others.** If 10 people are inside, please wait outside until someone exits - or please return later.
- **Wash hands regularly with soap and water.** If soap and water are not available, use commercially made hand sanitizer.
- **Remove all personal items** you bring to the garden. Remove any trash you create by placing it in designated CACG bin(s), CACG plastic bag(s), or take it home.
- **Thoroughly wash all produce** you harvest from the garden.
- **For list of volunteer duties,** check onsite white message board or CACG website for available activities. You can also email any Board Member to find out.
- **If you need help watering, please email any Board Member.**
